One of the best ways to promote Arizona Rosary Celebration is to sponsor a bus. Here are some ideas for reserving a bus for your parish or organization. Please watch [www.azrosary.net](http://www.azrosary.net) for updates. As we find more transportation information, we will post it on the website. Prices are subject to change.

Craig Beaudry 602-449-2251. We price off of Mileage and Hours so we will need, for instance 1) get the locations of the churches 2) Whether we will be going to all simultaneously with only one bus or if we will need multiple buses to include multiple drivers (this will effect the equation as well) 3) How many buses needed on that day. 4) Times of the departure and of the return for all buses 5) And finally, the businesses will need to send over a "Certificate of Liability Insurance." to include the minimum coverage limits (1 million / 3 million)

DISTRICT CHARGES

\$20.00 Per Hour Per Driver

\$2.25 Per Mile Per Bus

The costs are split into hours (\$25 per hour) and mileage (\$2.50 per mile).

Starting from the district garage to your pick up point to the event, and back. This is for each bus.

Additionally, in the agreement the district sent me, there is a requirement to carry \$1 million insurance for EACH of bodily injury and property damage.
